He to Grief— Police Court

Police Court room was filled with an interested audience more or less indicated in the outcome of the trial.

The defendants at bar were John Cole and Albert Gillespie, charged with stealing coal off passing C. and O. cars in the East End of the city.

From the testimony it was adduced that twenty-five or thirty of the denizens of that portion of the city depended largely for their winter's supply in yanking it off coal trains in passing through that part of town and a few of the number derived not a small revenue in disposing of their ill-gotten gains by peddling it around in the neighborhood.

The gang, in their unlawful depredations, became bold and defiant, so much so that Policemen John Bradford, for the good of the community,

was compelled to break it up and he did so by lying in the bushes at night time, gathering in a bunch at one full swoop.

There is always a sympathy for those who of necessity steal to alleviate the wants of a dependent family, but the fellow that steals for a living, entirely independent of work, there is little sympathy wasted on his coming to grief.

Cole and Gillespie were held to the Grand Jury in the sum of \$100 each and in default were committed to Jail.

In one day's search the police of Louisville found 235 cases of destitution, principally among the families of widows or drunken men.

The list grows. We now have three first-class candidates out for the office of Mayor, and the election still twenty miles away. Among the number are Councilman Thomas M. Russell, Dr. J. H. Samuel and Dr. H. K. Adamson, all good and true men, either of whom will fill the bill.

It has long been conceded that Maysville has more than its quota of pretty girls. The question has been asked: "Who is the prettiest girl in Maysville?" Christmas night, at Princess Rink, a committee of three non-resident, totally disinterested gentlemen, were asked to name the prettiest girl. They received a \$2.50 commutation ticket. We know you don't think prettiest, but go up and see.

Kentucky Juries are the limit when it comes to discriminating in values, which is most forcibly shown in two judgments just affirmed by the Appellate Court. Miss Benoni Kendrick, aged 13, of Frankfort, is given \$1,000 for loss of a tooth broken off by stumbling on a sidewalk, while the late C. L. Bell of Bardstown is given for the death of Bell, who was run over by a L. and N. switch engine.

GREENS

What is nicer early in the spring than a nice dish of greens? What is more desirable during the Christmas shopping season than a special sale of new and stylish articles at marvelously low prices? We herewith announce an extraordinary sale on Library and Morris Chairs. This sale will just "BE GREENS FOR YOU" if you are a prudent shopper. The immense value in this special offering is so apparent that the amateur as well as the professional shopper is spellbound. LOOK ALWAYS FOR THE REASON. We bought heavily on these beauties and when the wagons began hauling them Saturday we discovered that we bought too heavy for the limited business of a territory this size. So we must sell all of the Morris and Library Chairs that are sold.

Here Is Your Chance

- \$12.50 Beautiful Morris Chairs for \$7.50.
- \$13.50 Fine Comfortable Smokers Chair for \$9.50.
- \$12.50 Large Library Rocker for \$7.50.
- Splendid Library Sleepy Hollow Chairs for \$5.75.
- Massive Turkish Rocker for \$9.75.

well by you—don't neglect this opportunity if you are prudent.

TURKEY NEWS

Five Thousand of the Luscious Christmas Birds Received This Week By One Firm

This week's receipts of turkeys for the Christmas markets by our Maysville firm, the Keystone Commercial Company, will reach the 5,000 mark. Wednesday the firm received 2,500 turkeys in six droves and one drove contained 400 beautiful birds.

The turkeys mostly came from Mason county, but a large number were driven in from Fleming, Nicholas, Robertson, Lewis and Bracken counties and a few from Brown county, Ohio, and some came by rail.

The Keystone Company is shipping the most of their receipts to Pittsburgh, where their main establishment is located.

"LIVES OF GREAT MEN ALL
REMINDED US"

The story of how Marshall Field
amassed his great fortune may be told in
a few words. He had something to sell
and advertised it.

DEEDS NOT WORDS.

Maysville People Have Absolute Proof
of Deeds at Home.

It's not words but deeds that prove true
merit.

The deeds of Doan's Kidney Pills
For Maysville kidney sufferers
Have made their local reputation.
Proof lies in the testimony of Maysville peo
ple who have been cured to stay cured.

William H. Paul, 333 East Third street
Maysville, Ky., says:

"My opinion of Doan's Kidney Pills has not
changed since I first recommended them sev
eral years ago, and the statement I gave in
their favor at that time still holds good. Be
fore I learned of their merit I was bothered
considerably by pains in my back and other
symptoms of disordered kidneys. After doc
toring unsuccessfully I was induced to give
Doan's Kidney Pills a trial, procuring them at
J. Jas. Wood & Son's Drugstore. They
promptly and effectively cured me, and I did
not have a return of the difficulty until a short
time ago. At that time I again resorted to
Doan's Kidney Pills, and, as in the first case,
they thoroughly removed every sign of the
"ble."

at the woman suffrage meeting, Mr. Frank seems to lay that estimable lady clearly open to the charge of being a "nature faker." —Chicago Inter-Ocean.

EVERY voter in the United States again owes a debt of patriotic gratitude to President ROOSEVELT. No one knows the average Senator and Congressman better than Mr. Roosevelt and that there are scores of them steeped in vice and graft, the President and the Secret Service are well aware and they can be spotted at any time. There are a lot of Congressmen now scared half to death at what our President had to say in his message. There is already talk to the effect that Congress is not nearly so wrathful as it was the day the message came in and as the days go by it may be expected that by the time the Committee reports, the "censure" of the Executive will not have to be written on asbestos. The Congressmen learned that Chief WALKIE of the Secret Service was in conference with the President several hours Friday. THEODORE ROOSEVELT means business, while the other fellows are only out for a good time and the salary tied to the job.

JOHN BRUCE WOODWARD.

Many hearts were saddened yesterday evening when the news was 'phoned over the county, "John Bruce Woodward is dead." Just baddling into manhood, having been born April 16th, 1889, it seems that he had been called too soon from a sister to whom he was father, mother and brother, their parents having left them when he was four and she a toddling babe of two.

It was the happy privilege of their grandparents, Mr. Bruce Jones and wife, to rear them both. Now that these two people are declining the bill of life, it was but meet that they should lean on their grandson and his early demise removes the foundation of their hope and home.

In September of this year John Bruce Woodward entered State University in the mechanical engineering course. He had been there less than two months, when in the gymnasium one day he ruptured a blood vessel while using the lung tester. On examination his physician discovered tuberculosis to be the seat of his trouble, then pneumonia followed, through which he made a heroic fight for life. As soon as he was able to leave the hospital, he was conveyed to his home, only to die in peace, surrounded by his loved ones, prescribed for by his faithful physician who had ministered to him from infancy and cared for by his proficient nurse. Besides his sister, who sees life so dimly through her veil of tears, and his dear grandparents, he is mourned for by his uncle, Messrs. Isaac Woodward of this city, Mr. John Woodward of Sardis, Charles and John Jones of Fernleaf, and his aunt, Mrs. T. B. Stronde of Germantown, and a host of friends.

Funeral will be from the Christian Church in Germantown Tuesday morning at 10:30 o'clock, sun time. Burial in E. of P. Cemetery.

To Fight Against Disease Unless They Strike at the Underlying Cause.

To treat Dandruff, and Falling Hair, with irritants or oils on which a parasitic germ will prosper, is like scooping water from the ocean to prevent the tide from rising.

You cannot accomplish a satisfactory cure without having a right understanding of the fundamental causes of the trouble.

You must kill the Dandruff Germ. Newbro's Herpicide does this because it is specially made to do that very thing. When the germ is removed, the hair has no choice but to resume healthy growth and beauty.

Brought in Gaul,
it ever slain
on hill or Eastern plain;
did it ever smile
in field or single fight,
bloody laurels has it won
lost Alpine snows or Southern suns;
it never bowed an old man's head;
it caused a maiden tears to shed;
it never made a brother start,
Or wrung with grief a mother's heart:
Nor ere upon its virgin blade
Was drop of human gore displayed;
And yet a sword more tried and true
Forth from its scabbard never flew.
"Let cowards quake at valor's tread!"
Let naught against this sword be said!
'Twas flourished o'er an awkward squad
By a "General" as bold as ever trod.
With drum and fife and trumpets blare,
There was glorious fun on the public square,
As great-grandpa, on his prancing steed,
Rode back and forth at break-neck speed
With his old cocked hat and sword in hand,
Giving his orders in stern command.
Those good old times—those good old days—
When our grandfather's "fought" on "muster
days."

deluded with the idea that the end of the world was at hand; others that it was a pocket edition of the San Francisco earthquake. As it was neither the subject is still open for debate.

In Saturday's edition of THE LEDGER, through an oversight, which was unintentional, we failed to mention the fact that the plumbing in the new High School Building was being done by Mr. George H. Traxel of this city. We are glad to give notice to the fact and take pleasure in adding that the work is in the hands of a first-class mechanic. Mr. Traxel also furnished the plumbing in the new First District Building. THE LEDGER is also pleased to note that the New High School is being constructed under the eagle eye of Mr. Homer Frederick, the boss contractor of Maysville, which is a guarantee that everything about the structure is strictly up to specifications or the nothing-long bell will be rung.
